Mm... Let me think about it.

Then what cake should we make for you?

If its Sungji then it must be a strawberry cake~

Right.. Strawberry..

But can't we make it together? I also want to bake.

Ah you wanna make it?

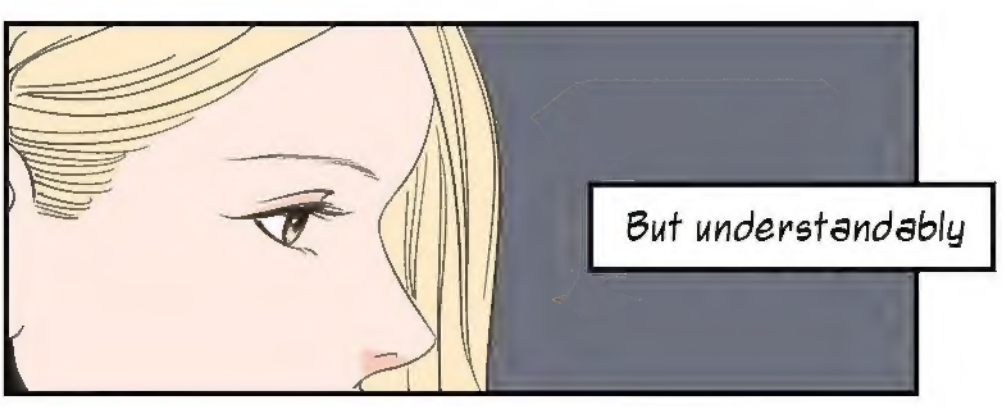
Maybe getting used to being stared upon is not something that is impossible after all



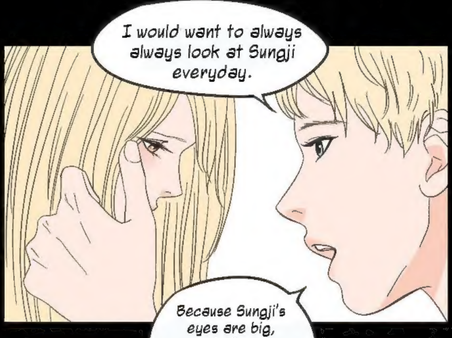
But understandably

Even if it wasn't like that from the beginning

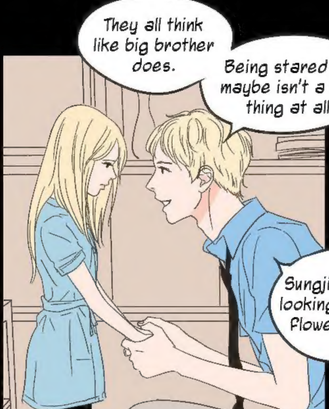
Did you have a Fight with your Friends?
SHAKE SHAKE
Is it that other kid.. Did they make you sad?

They were all staring at me.

Well thats because Sungji is pretty.
DONT CRY
...But its only to me.
They only do that to me at school.



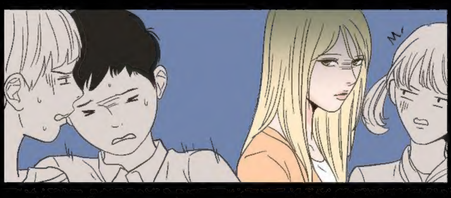
I would want to always always look at Sungji everyday.
Because Sungji's eyes are big, and all your Features are so so beautiful.



They all think like big brother does.
Being stared at maybe isn't a bad thing at all.
Sungji also likes looking at pretty flowers right?

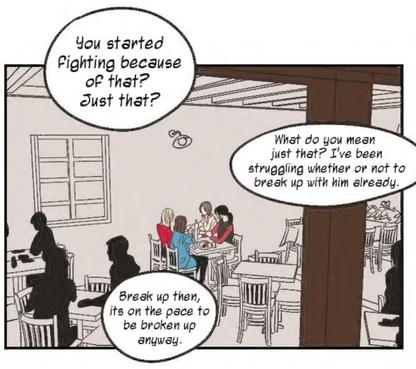
Yes...
...but if...

WHEN BROTHER WAS HERE, THE PROBLEMS COULD HAVE ALL BEEN EASILY SOLVED.

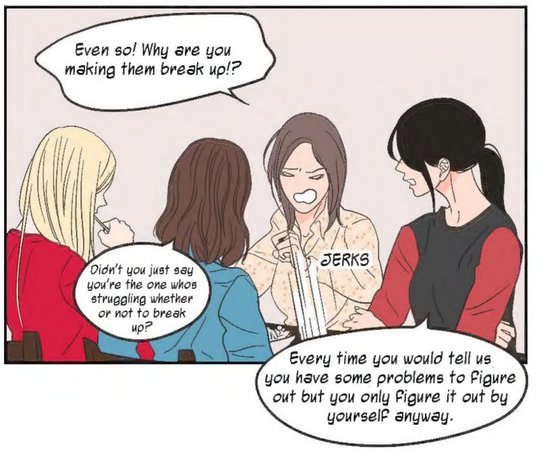


10 YEAR OLD'S GLARE

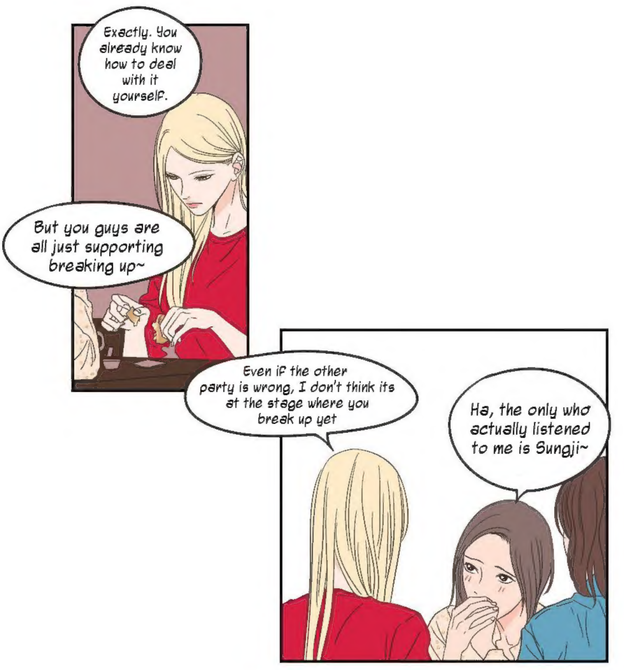
BUT STARTING FROM THEN, MY FRIENDS CIRCLE GREW SMALLER.



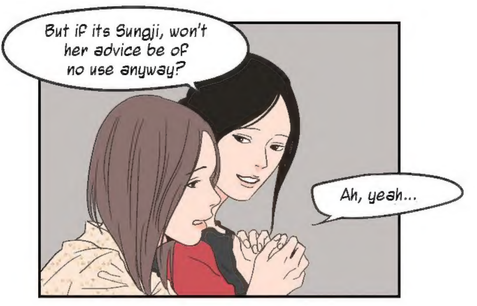
You started fighting because of that? Just that?
What do you mean just that? I've been struggling whether or not to break up with him already.
Break up then, its on the pace to be broken up anyway.



Even so! Why are you making them break up!?
Didn't you just say you're the one whos struggling whether or not to break up?
JERKS
Every time you would tell us you have some problems to figure out but you only figure it out by yourself anyway.



Exactly. You already know how to deal with it yourself.
But you guys are all just supporting breaking up~
Even if the other party is wrong, I don't think its at the stage where you break up yet
Ha, the only who actually listened to me is Sungji~

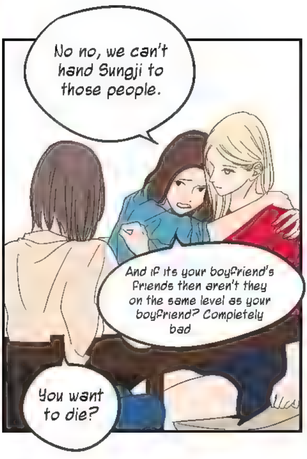


But if its Sungji, won't her advice be of no use anyway?
Ah, yeah...

But really

You're the only one in our group who hasn't been in a relationship yet. Does that even make sense?!

Sungji , do you want me to introduce to you some guys?
Theres some guys in my boyfriend's circle that are pretty decent.

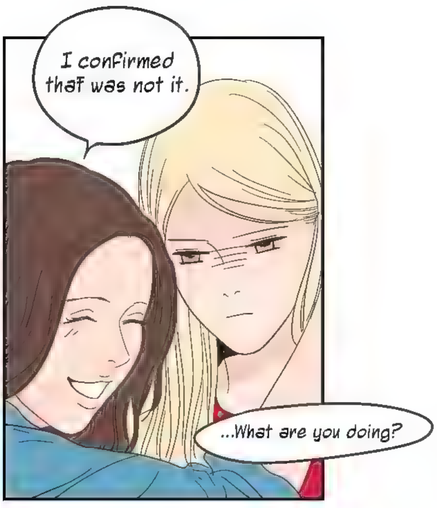


No no, we can't hand Sungji to those people.
And if its your boyfriend's friends then aren't they on the same level as your boyfriend? Completely bad
You want to die?

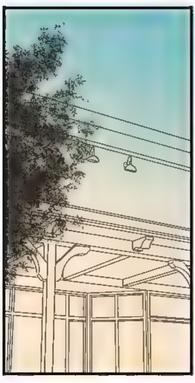
Sungji, don't listen to those guys.
If there's really someone, wouldn't you want a photo?

Its not there yet... We're not at the stage where you want a relationship.
Sungji doesn't like introductions and stuff.
She's had some weird rumours since highschool.

I know, like,
Liking girls, but actually was in an affair with a married man or that she hid a hundred boyfriends from people.
I even heard that she likes cosplay guys.

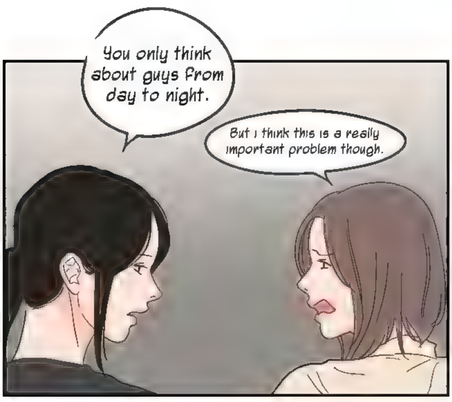


I confirmed that was not it.
...What are you doing?

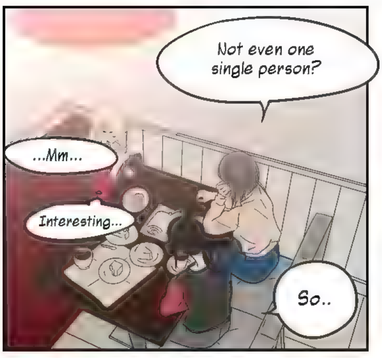


The food here is amazing~

I'm going for seconds.
But there were so many people who liked her. Did she not even consider one of them?

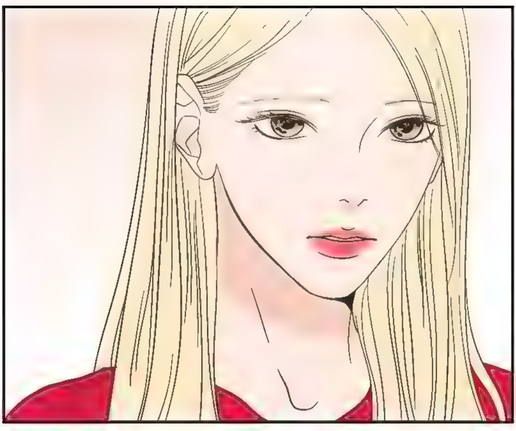


You only think about guys from day to night.
But i think this is a really important problem though.

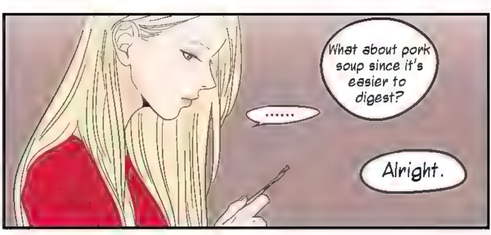


Not even one single person?
...Mm...
Interesting...
So..

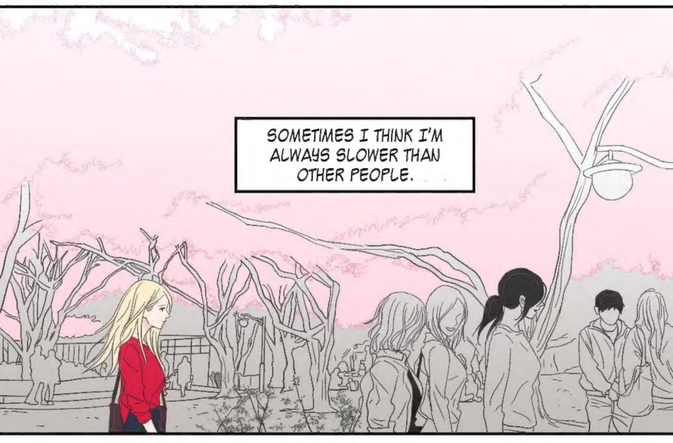
From the beginning to now, there still hasn't been one single person you liked?



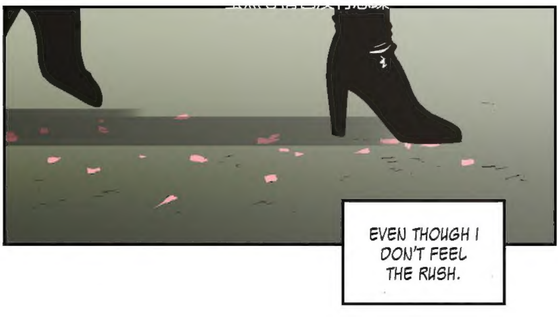
Its dinner time.
What are we going to eat?
Weren't you guys eating cake till now?



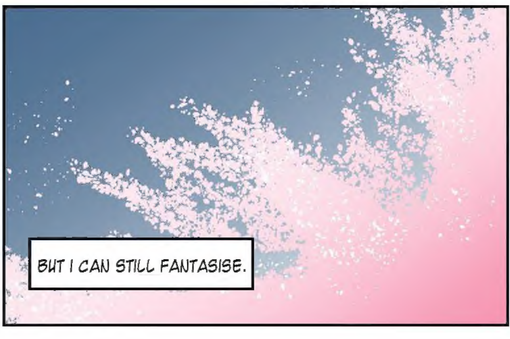
What about pork soup since it's easier to digest?
.....
Alright.



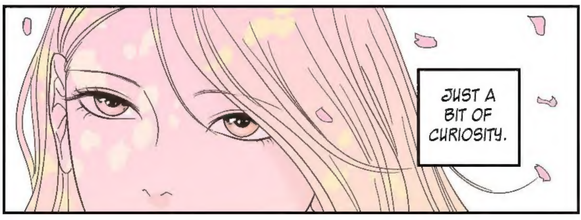
SOMETIMES I THINK I'M ALWAYS SLOWER THAN OTHER PEOPLE.



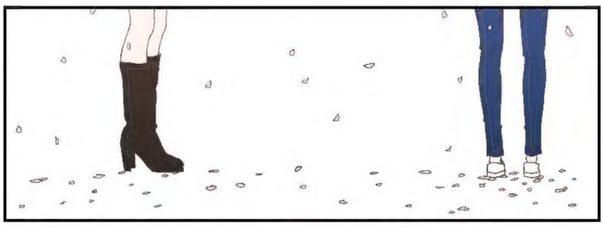
EVEN THOUGH I DON'T FEEL THE RUSH.

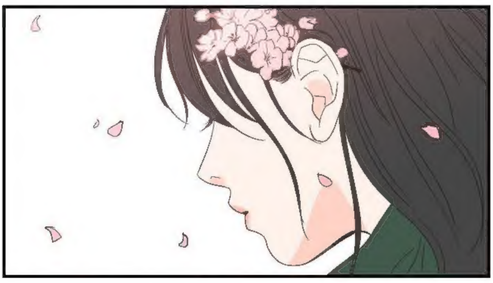


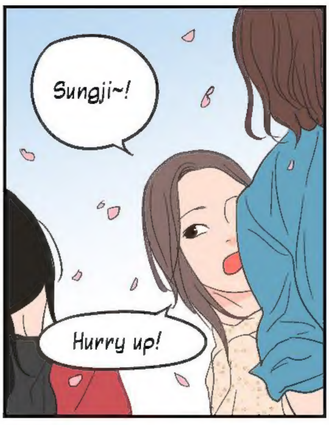
BUT I CAN STILL FANTASISE.



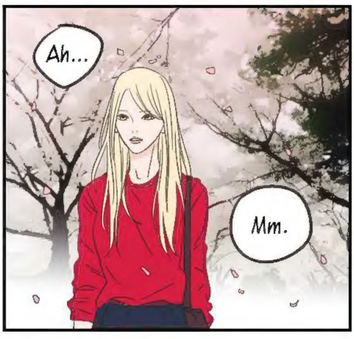
JUST A BIT OF CURIOSITY.







Sungji~!
Hurry up!



Ah...
Mm.
